

☆☆☆ APSCC Young Talent Awards

NOMINATION GUIDELINE

The APSCC Young Talent Award aims to recognize:

1. Young professionals (35 and under) working in the Asia-Pacific satellite and space industries;
2. Who have solved difficult problems in the industry;
3. And /or those who have made significant accomplishments related to space technology, satellite business, finance, and entrepreneurship

About the Selection Process

Nomination forms are due to the Selection Committee (apsc2018@apsc.or.kr) by July 1, 2018. A certain number of the nominees will be interviewed via teleconference and from this group, three (3) award winners will be selected and the awards will be presented during the APSCC 2018 Satellite Conference & Exhibition, which will take place on October 2-4, 2018. The award recipient names will be reported in the satellite press, and their names will be added to a perpetual plaque.

IMPORTANT

The finalists of the APSCC Young Talent Award will be entitled for a full complimentary registration at the APSCC 2018 Satellite Conference & Exhibition and has to be present at the Awards presentation ceremony. The member company submitting the nomination form should bear all other travel costs of the nominee to attend the event.
